Changes to the BOT Execution Time for the Subscription-based Option

The service will automatically switch to a subscription-base option that provides a transaction allowance equivalent to the execution time specified in your current contract.

Until September 2026

Option name	BOT execution time
10 hours	10 hours
30 hours	30 hours
50 hours	50 hours
100 hours	100 hours
300 hours	300 hours
500 hours	500 hours
1000 hours	1000 hours
2000 hours	2000 hours

From October 2026 onward

Option name	Transaction	Maximum BOT Execution Time
3600 transactions	3,600	About 10 hours
10800 transactions	10,800	About 30 hours
18000 transactions	18,000	About 50 hours
36000 transactions	36,000	About 100 hours
108000 transactions	108,000	About 300 hours
180000 transactions	180,000	About 500 hours
360000 transactions	360,000	About 1000 hours
720000 transactions	720,000	About 2000 hours

Changes to the BOT Execution Time for the On-demand Option

The “On-Demand” BOT execution time option will be discontinued, and the automatic recharge setting for BOT execution time will be disabled.

Until September 2026

Option name	BOT execution time
1 hours	1 hours
10 hours	10 hours
30 hours	30 hours
50 hours	50 hours
100 hours	100 hours
300 hours	300 hours
500 hours	500 hours
1000 hours	1000 hours
2000 hours	2000 hours

From October 2026 onward

Discontinued
